Runner-up both starts early this year including a one-length defeat to subsequent G3 winner Maxim Rate, **7 UNICORN** is the horse to beat in this maiden turf route. She runs well fresh, and is the "class" of the field based on her runner-up finish behind a future stakes winner. Trouble-prone **8 HAUGHTY GIRL** merits longshot consideration based on her fourth-place finish two starts back. That was her only firm-turf route, she ran her final quarter mile in a decent :23.48. Few in this field have shown that much late speed, HAUGHTY GIRL will roll late, at a price. **4 CATCH THE EYE** finished in :23.98 two back, while LA SHRIMP is ready to stretch out, with two sprints under her belt.
