4 **PLEASECALLMEBACK** is bred to be miler, and should welcome the opportunity to stretch his legs in this G1 BC Win and You're In qualifier. He beat the well-regarded Tap It to Win in his victorious debut, and is coming off a closing second behind his unbeaten stablemate, Mr. Hustle, in the Soaring Free Stakes.

5 **KEEP ON TRUCKIN** won his two races in a pair of Tapeta sprints by a combined total of 19 1/2 lengths. The gifted gelding probably doesn't need the lead, and is bred to for the grass. **2** **DECORATED INVADER** ran first and second in two maiden special turf routes around two turns at Saratoga. MYSTIC LANCELOT won his 5 1/2-furlong opener at the Spa convincingly. The son of leading sire Into Mischief is the first foal from a router.
