

CLOSER LOOK: Looked super rallying past foes to win the G1 Summer at WO Sept. 15; \$200K son of Euro G1 SW Declaration of War whipped maidens on SAR turf the race prior and was a sharp 2nd in his start before that, his debut, so there' talent here; worked strongly since and while that WO win came on non-firm turf that big SAR win came on firm footing, which he'll almost surely get again here.
