10 **GO ZAPPEM** was returning from a long layoff while making her turf debut last time and she ran pretty well there vs. MSW rivals, despite being pulled back off the pace after racing forward early; drops looking to build upon turf debut that may be better than it looks. 5 **DOUBLE HAPPINESS** dropped to this level last time and got shuffled back a bit while down on the rail around the turn, before getting out into the clear and finishing gamely to get up for 2nd; tries again. 6 **COLD HEARTED CAT** had trouble in the stretch both two and three starts back then stretched out for her NY debut last time and was along late for a no-threat 3rd; good fit here and the shorter distance benefits her.
