5 **ANUKET** wheels back 19 days after a dazzling entry-level allowance comeback in which she set blazing fractions (:21.49 and :44.29), and won by more than seven lengths. She worked in company with Grade 1 winner Roadster prior to her comeback, and was dead fit. That lessens the chance of a "bounce" second start back. The speed of the field, she could be gone. This is not an easy N2X, however. 4 **HARD NOT TO LOVE**, a one-eyed filly that won her first two starts before a troubled third in a stakes in May, returns from layoff of nearly five months. She has worked well under her new rider Mike Smith, she is expected to settle slightly off the pace and rally late. Her debut victory here in February shows that she runs well fresh. 3 **MADAME VESTAL** continues to outrun expectations. Maiden winner at 7-1, allowance winner at 16-1, and stakes runner-up last out at 9-2, she will roll from off the pace. She finished first or second in all five starts. Look for her late. SHOW IT N MOE IT drops from G3.
