5 **CHESTERTOWN** isn't your typical NY-bred 2yo being a \$2 million purchase by Tapit and out of the multiple Grade 1 winner Artemis Agrotera; breezed a smooth 10.1 prior to bringing that big ticket in March and will likely take a lot of money in his debut. 4 **SCILLY CAY** debuted at Saratoga and had speed in that race to contest the pace, before weakening late to finish 3rd behind Three Jokers; half to two stakes winners got some time off after that run and has worked sporadically on the way back for one of the best second-out trainers in the game. 3 **PAVE IT** is by hot first-crop sire Commissioner (6 for 24 with juvenile debut runners and 12 2yo winners overall) and from a dam who was a six-time winner in her career; Englehart having a breakout year with his 2yos.
