6 **DIVINE ARMOR** ran super finishing second last out in his first route, and he should be double-tough in this MSW route for 3-year-olds. He was stretching out from a single sprint, his training pattern had been interrupted by rain and wet tracks, yet he ran well rallying from last. He has two sharp recent works since, and if he is a top colt should win at relatively low odds. 7 **VASARIANO** raced evenly in what appeared to be a prep race first time out. That race was won by stablemate Nadal. Expect improvement from **VASARIANO** second time out. 2 **KISS TODAY GOODBYE** is improving each start, he finished a creditable third last out behind the top choice.
