1 **HARD NOT TO LOVE** has been a revelation as despite some idiosyncrasies she's flourished this meet, romping in both the G1 La Brea and G2 Santa Monica. This marks her first route but the way she relaxes and finishes hints this trip should be well within her scope. 6 **OLLIE'S CANDY** makes her first start since a respectable 4th in the G1 BC Distaff here Nov. 2. She's worked in stellar fashion for this return and unlike the top pick is proven around two turn. 5 **MOTHER MOTHER** couldn't finish with the top pick in the La Brea (ran 3rd) and Santa Monica (ran 2nd) but in between she smartly won a stakes here. She has tactical speed, tries hard and has won at this trip.
