Hard to separate **2** **GIOCARE** and **6** **DON BOURBON** who turned in big effort behind wire to wire winner Texas Swing last month at Tampa. Former raced from tougher position between horses early, rallied willingly enough to suggest a forward move expected at second asking. Don B stalked, tried, proved no match for Texas Swing while holding on gamely to wire while progressing once again from a Beyer standpoint. **5** **BEAR ALLEY** was hung wide, did well to pass a couple late stretching to a mile at second asking. May prove best of others.
