Another good MSW on the turf, this one for 3yo boys. 5 **PRICING EXERCISE** exits a pretty good group when well backed but a bit disappointing after getting knocked around at break, making little middle move along the way. Should benefit from the experience with barn sporting outstanding record with second time starters. 7 **BEAR ALLEY** a game second behind odds on Giocare in two turn bow and figures to handle the switch to grass with little problem being kin to both Arklow and Maraud. 9 **EVER DANGEROUS** could prove just that off bench by Kitten's Joy out of a Rahy mare who won a pair herself on grass.
