

**Analysis By:Brad Free**

Speedy 3 **BRICKYARD RIDE** figures to clear the field, seeking his third straight. Although horses with his up-front running style have not won their fair share this summer on the main track, no horse in this Cal-bred N1X can run early with BRICKYARD RIDE. The son of Clubhouse Ride nominated to the Real Good Deal Stakes (race 9) at seven furlongs; his connections opted instead for this shorter trip. 4 **CALI DUDE**, also by Clubhouse Ride and also nominated to the Real Good Deal, makes his first start since November. Solid workout pattern, runs well fresh, figures for a cozy trip positioned second behind the speed. If the top choice does not stay, CALI DUDE could get first run. 5 **MR PAYTIENCE** broke through the gate prior to the start last time and completely misfired. The race was a toss. His runner-up finish two starts back puts him in the hunt. SUMMER FIRE goes first off the claim, turf to dirt, first-time gelding, returning to a racing surface that he likes.
