

CLOSER LOOK: A bit slow into stride in his turf sprint debut at BEL June 12 but to his credit he kept to his task to close the gap and while ending up 6th wasn't beaten all that far; still, today's foe Zippy Baby was 2nd so he's got to make up some ground there; that's by no means out of reach and he's worked a few times since including on turf here last week; 1 of 2 sibs to race is winner Racinginthestreet (19-4-4-1, \$130K, 14-4-2-1 on turf).
