

CLOSER LOOK: A solid 4th in the G3 Futurity; that said, the 3 who finished in front of him that day are all lined up against him again here; the good news is this \$475K colt wasn't far at all behind those 3 so if they fit then it's not a long walk to believe this guy fits, too; has speed but it by no means a need-the-lead type; while there are some positives, he finished 4th in his only 2 turf tries vs. winners and this spot is tougher than those.
