

CLOSER LOOK: One tough cookie; only 5th in the Saratoga Derby behind Domestic Spending and Gufo but that came going a sixteenth farther than today and he previously won the G2 Hall of Fame at this trip so he should have no issue with this distance; comes off a game 2nd to Get Smokin in the G2 Hill Prince at BEL when he left himself with too much to do while 'Smokin was able to set a modest pace; came running but fell a head short; certainly has the quality though note his recent Beyers, while nice, are still a smidge behind the best of Domestic Spending, Smooth Like Strait and Gufo
