

**Analysis By:Mike Welsch**

The "all" button could be favorable option to those who can afford it in Rainbow 6 from the looks of this field with so many potential ways to go to close out the card. **4 HE'SPUREGOLD** ran well in debut behind talented Maker first-er Rick Manager and continues to work well over PM turf for second try. Kin to \$600K grass earner Valedictorian. **1 GIRL DAD** continues to show improvement with experience, was second best behind Pletcher first-timer after taking lead at mid-stretch in N Y finale. Should sit a nice trip on or with pace from rail. **2 AMERICAN TRYST** beat half the field despite wide trip debuting over the surface. Expecting best yet here. Advanced Placement perhaps best bred of the bunch being kin to among others G1 winner Coffee Clique and graded stakes types Admission Office and Royal Fury.
