12 THE GREAT OZ and **11 PROVEN INNOCENT** will both have to overcome tough posts but with credentials to prevail if able to work out trips. Former turned in sharp turf bow from outside gate several weeks earlier and sharp in recent main track drill. Proven Innocent best bred of this bunch for the going, exits a pretty solid MSW race at Tampa from which 3rd finisher, Pletcher's Aviado, returned to GP to finish 2nd recently with MSW opposition. **5 GIRL DAD** had little excuse in last although met a pretty good bunch in process an getting both class relief and Lasix for first time today.
