Best Bet: **Greatest Honour(11st race)**

5 **DRAIN THE CLOCK** couldn't have been more impressive running away with the Limehouse and seven furlongs certainly seems well within his wheel house. Must avoid getting involved in what could prove a pretty severe pace situation considering make up of this field. 1 **LIKEABLE** back to reality after finishing well back in BC Juvenile. Must respect off that easy maiden win although at expense of a couple of Chad Brown runners who are still maidens to open their 3yo campaigns. 2 **KING'S OVATION** proved he could run down horses on graduation day, should getting plenty of pace to run at here.
