2 DELAWARE DESTROYER did well to close for the place yet in another in a string of solid efforts. This one was his best effort to date, as he closed with interest to get the place behind only the pacesetter, who was loose on the lead from the start; he was flattered when that rival returned to win the Sophomore Turf Stakes in his return, against a very good group. **4 GIRL DAD** has steady figures and enough speed to stay close from the start; may sit a perfect trip just off expected pacesetter HIGHLY NOTED. **5 HEAT OF THE NIGHT** gets Lasix for the first time and he sports a nice recent work for this; likely to move forward in his second start off the long break.
