6 **CAZADERO** established his class last year when he became a Grade 3 winner in the Bashford Manor at Churchill Downs. One start later, he was favored in the Grade 2 Saratoga Special won by Jackie's Warrior, who would go on to become a multiple Grade 1 winner and finalist for an Eclipse Award. CAZADERO launches his 3-year-old season with some strong works and for this trip will be first Lasix. The outside draw here might lend itself to an ideal stalking trip behind the speed tucked to his inside. 4 **JAXON TRAVELER** brings a perfect 3-for-3 record into the Gazebo. He's shortening up a tad to six furlongs and two of his three wins have come at the trip. JAXON TRAVELER also is proven class as a stakes winner - accomplished in his last start in December - and he will be first Lasix. 5 **GAME DAY PLAY** has recency on top two, with a pair of starts this year at Fair Grounds. He also has a strong closing kick and can take advantage if a few of these make for some hot fractions up front Saturday.
