3 **SMALL TALK** no match for 4/5 Gimme Some Mo while easily best of rest when tagged for first time off a long layoff. Back at MSW level, has been given ample time to recuperate from career best performance.

9 **VOODOO ZIP** turned in game effort behind Gear Jockey who flattered race finishing third in G3 Canadian Turf in his next start but a hanging sort to date going winless in 6 starts but while beaten a total of less than two lengths in last 5 outings combined. 1 **BEAR ALLEY** the wild card here returning from long layoff and trying turf for just the third time. Kin to multiple G1 winner Arklow looms formidable if not needing one off bench.
