

CLOSER LOOK: Oklahoma-bred sold for \$175k at OBS March following a 10-flat workout; he's by G2 turf winner Dramedy, who is 0-for-18 with first time starters; the best progeny by that sire is last year's Queen's Plate winner Mighty Heart; the dam (29-7-5-2, \$137k, 89 Beyer) was a decent dirt sprinter, though her one other foal to race has yet to win; Steve Asmussen is 46-for-193 (24%, \$1.77 ROI) with 2YO first time starters going 5F to 5.5F on dirt over the past 5 years; the workouts at Keeneland look fairly quick; seems ready to fire on debut.
