Best Bet: **Community Adjusted (7th race)**

2 **FIRST CAPTAIN**, a \$1.5 million son of 2-time HOY Curlin, has made quite an impression, winning his first 2 starts and earning big Beyers in the process. He takes a big step up the class ladder here but has worked well since gives every impression there's a lot of plus side to him. His tactical speed should have him in it from the start.

5 **SNOW HOUSE** showed talent in Kentucky winning his last 2, both at this trip. His allowance win at CD last time out May 29 was around one turn, just like today's assignment. He's worked well since and figures prominent from the start.

1 **GERSHWIN** was also entered in the G3 Kent on turf at DEL but since he's never run on turf he figures to go here instead. He's proven on dirt dry and fast, no surprise as he's kin to maybe the best horse in the land, Mystic Guide, who went into Sunday's G2 Suburban as the favorite.
