

CLOSER LOOK: Maryland-bred has been in the exacta in each of his seven starts to date and he is a stakes winner on dirt already; switched to synthetic at Woodbine last time and ran well while only second-best to the Ward-trained Outadore; dam was a winner on turf and her two prior foals to try the grass were both winners on the surface; has speed from the outside but doesn't need the lead to be effective; threat. - Mike Beer
