Not a whole lot of obvious pedigree power in this race. We'll go with the barn that wins regularly with first-timers at CNL -- including one last week -- that of M Stidham, who appears to have 3 **LEOVILLE** primed for debut. 2 **MAGNOLIA MIDNIGHT** cost a whole bundle at auction given the pedigree and trainer D Stewart won with a CNL first-timer -- albeit on dirt - last week. 1 **SAVAGE SAILOR**, one of two firsters for HG Motion, has an encouraging work pattern. Doubt the horse has been trained for speed so will need to work trip from fence.
