3 **GINA** is a sister to Dubai World Cup winner Mystic Guide (as well as capable if far lesser Gershwin), and while Mystic Guide needed two turns to produce his best, this filly is by Maclean's Music, who should add a dose of speed to get her home in debut. Sharp works for good first-out barn, but don't expect any kind of price. Trainer B Colebrook had a huge KEE spring meet, where he won with at least one first-time starter, but his young horses typically race their way into a win, though 2 **MUSIQUE** has some very lively drills for her unveiling. Trainer D Stewart not known for work with first-timers but his last 10 debut runners, all in MSW sprints, have gone 2-3-2 and 10 **SEQUIST** looks like she ought to run respectably.
