

CLOSER LOOK: An even 4th behind a couple of these in his sprint debut here Aug. 7; of course, you can always be a bit forgiving about a first run; gets a shot at a route, a trip he might like as daddy, grandsire and damsire were all G1 route SWs; Sadler does quite well 2nd time out, too; must turn the tables on a couple of these but that's by no means out of reach; 3 of 5 sibs are winners including Zero Zee (19-3-2-2, \$102K). - Michael Hammersly
