Best Bet: **Amani's Image (8th race)**

3 **ECHO ZULU** was ready for her debut on opening day, as she sat just off an experienced rival in Lady Scarlet (who was the 3/2 favorite) and easily dispatched that rival in the stretch to win clear; 92 Beyer she earned there makes her one of the fastest 2yos in the county right now - of either sex - and the third-place finisher of that race returned to dominate a field of restricted stakes horses at Gulfstream with a 78 Beyer. 2 **GIRL WITH A DREAM** had speed from the start of her Ellis Park debut and buried that field after pressing the pace around the turn; interesting stepping up for a top barn but she has to stretch out two furlongs for this. 8 **SEQUIST** probably wasn't beating much at Colonial first time out but she gets some extra credit for overcoming trouble in a couple of different spots to prevail.
