

## Analysis By: **Brad Free**

5 **ENGLAND'S ROSE**, N1X runner-up twice at this meet at shorter distances, stretches to a mile and three-eighths on turf. Troubled runner-up two back, second-best last out, she is bred for the marathon distance. The challenge is to hold top form three successive races. That is not easy to do at the short summer meet. 7 **GET ON THE BUS**, also third start of the meet, improved a bunch finishing third last out in a N1X vs. 3yo fillies. She faces older fillies and mares, gets a four-pound age concession, and will rally late. 8 **STAR OF AFRICA**, third across the wire in a Golden Gate stake race last out, will be pressing the likely slow pace. KLEEN KARMA moves up in class and stretches out in distance after defeating modest Cal-breds.
