Best Bet: **Markitoff (4th race)**

1 **HEAVENLY TRIP** has shown good speed and some fight in his first two starts and, being by Bal a Bali, has a decent chance to improve on turf. Speed from the rail. 5 **MAGNOLIA MIDNIGHT** rallied modestly for fourth making debut for a barn that doesn't often crank first-timers. This race could unfold at a quick, taxing tempo, which could help him. 3 **LEOVILLE** just evenly first time out. Could be more coming but barn does do good work with first-timers.
