Footnotes

MOIRA was forced in a bit by an outside foe after the opening furlong, switched outside that one and settled down racing last but one and off the inside, began to edge closer on the turn three wide, was niggled along just a bit past at the half and moving out four deep, swept five then six wide leaving the bend and struck the lead by the top of the stretch, drifted in at that juncture while clear and under urging, spurted away and extended the margin under steady handling. SKIMS (GB) stalked from outside well-positioned just off the leaders, went three then four wide on the turn, moved out a bit in mid-stretch, fought on for place over ATOMIC BLONDE (GER), who settled at the rear angling in, came off the fence racing two to three wide still at the back on the turn, came out a bit at the top of the stretch then was forced out by a rival in mid-stretch, kept on gamely but missed second. FEV ROVER (IRE) moved forward stalking the leader under light rating tactics from off the inside kept in about the three path, allowed that one a greater lead late up the backstretch before willingly edging nearer on the turn, drew to within a head nearing the three-eighths, took a narrow and brief lead past the five-sixteenths but was overtaken by the winner by the top of the stretch, ran on one-paced thereafter and was outfinished for placings. READY LADY angled in soon after the start, raced about mid-division saving ground on the turn, came out for the stretch run but needed more. MISS DRACARYS got away alertly and quickly went to the lead and clear, set the pace in hand shadowed by rivals early, edged away a bit late up the backstretch, was again challenged about midway on the turn, overtaken past the five-sixteenths and had no extra.
